5-7 DEC
2014

Global Landscapes Forum

Landscapes for a new climate and development agenda

Join Us

landscapes.org/youth

Passionate about land use issues?

Want to build leadership skills?

Join the youth session and brainstorm creative solutions for the world's big challenges.

MASTERCLASSES

Friday, Dec 5

Improve your networking, concept pitching, and interpersonal skills, meet like minded young people and other professionals interested in youth issues.

YOUTH SESSION

Saturday, Dec 6

Join roundtable discussions to form actionable and innovative ideas to the big challenges, and help us pitch to an expert panel of scientists and policymakers.
