

Removing the barriers for investing in forest landscape restoration – what works where?

Monday, 6 June 13:15 - 15:15 Room: Wolfson Library Room I

Session questions:

1. How can we close the gap between the scale of commitments and the level of funding for landscape restoration?
2. How can we generate a clearer definition of revenue-generating activities for landscape restoration?
3. What enabling investments are required to overcome barriers to landscape restoration?
